---

**SKU:** 983META

**Categories:** [Clearance](#), [Footwear](#)

**Sizes** 4/37, 5/38, 6/39, 7/41, 8/42, 9/43, 11/46, 14/49

## PRODUCT DESCRIPTION

**UPPER:** A unique mix of nitrile/PVC helping resistance to cracking

**LINING:** Synthetic inner woven material, highly resistant to wear and tear,

**INSOLE:** Removable, PU innersole for all round comfort.

**SOLE:** Anti-static, high nitrile sole gives better abrasion resistance and excellent slip resistance on oil and water surfaces, extra deep tread lugs help to clear out the sole in muddy conditions.

**TOE CAP:** Steel toe cap, Shock absorption max 200 Joules.

**MIDSOLE:** A unique mix of nitrile/PVC with a steel midsole protecting from penetration of the sole. Also has a built in metatarsal protection guard which helps to absorb impact protecting the metatarsal. Luminous ankle protector.
