

PEARL HYGIENE BOOT

SKU: 9Pearl
Categories: Clearance, Footwear
Sizes 3, 4, 10

PRODUCT DESCRIPTION

These rugged work boots are made using new and innovative materials.

They combine the latest microfibre technology with proven traditional style.

Protection is offered by a 200J safety toecap with scuff cap.

The slip resistant sole and shock absorbing heal increase safety in the workplace while also reducing fatigue through outstanding comfort.

The upper shoe is highly breathable, allowing the foot to remain dry and fresh throughout the working day.

The Pearl work boot also comes with an antibacterial inner sole to kill germs, allowing workers to stay clean and fresh while carrying out their duties.
